

Section 3 - External Auditor Report and Certificate 2020/21

In respect of

Chesterton Parish Council

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2020/21

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 12 of the Audit and Accounts Regulations 2015 requires the RFO complete Section 2 of the Annual Governance and Accountability Return prior to passing it to the Council for its approval. This year, the Council approved the Return before the RFO which is a breach of this regulation. In future the Council should ensure the form is duly completed prior to it considering it for approval.

The Council has answered 'Yes' to Box 4 of Section 1 of the Annual Governance and Accountability Return which relates to how the Notice of Public Rights was advertised within the financial year 2020-21. Therefore, it relates to the Notice announcing the public right to review the 2019-20 return which was published during 2020-21. As noted in our Auditor Report last year, this notice was not correctly advertised therefore this question should have been answered 'No'.

Other matters not affecting our opinion which we draw to the attention of the authority:

Section 2 of the Annual Governance and Accountability Return was initially submitted without the date and minute reference for the approval of the accounts by the Council.

Section 1 of the form also had to be resubmitted as again the date of approval and minute reference was not present on the original submission.

In addition to this, the Annual Internal Audit Report was also missing a signature from the internal auditor and this report was later submitted with the signature entered.

The Council should ensure it provides the final Annual Governance and Accountability Return with the fully completed and signed return form for external review.

3 External auditor certificate 2020/21

We ~~certify~~ ~~do not certify~~* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2021.
