STATEMENT

Great Wolf Planning Appeal

During the 2019/20 year a planning application was considered and rejected by the Cherwell District Council. The application was for a large water park which the Prish Council thought totally inappropriate. The owners unexpectedly went to appeal during 2020/21. Fund raising to defend such an action was required and the total costs were in excess of £100k some of which has been paid in the 2021/22 year.
