

Chesterton Events Committee Annual Report 2022 / 2023

The lunches held at the Community Centre continue on the last Wednesday of the month with the exception of July, August and December.

On 30th July, The Pantaloons entertained us with Much Ado About Nothing. It was the second successful and fun evening. The long run of hot weather broke just as everyone was packing up at the end of the evening. The first show was held outdoors due to Covid but more people can be accommodated outdoors than in the Community Centre and so we can afford more expensive productions.

The Committee organised the Jubilee Celebrations for our late Queen and these were well supported. It was refreshing to see new faces and lots of children. Now onto the Coronation ...

As always, we thank our supporters and helpers for their encouragement and appreciation.
