

Chesterton Football Club

It's been another busy year for the football club. Competing for the first time in many years, the First and Reserve sides entered the Oxfordshire Senior League.

The First team are clear favourites to win Division 3 having won 18 of 22 games so far. They have been beaten just once.

The Reserves have done really well of late rising to fourth in Division 4. That's their final position although they have reached the final of the Ivor Gubbins Cup to be played on the 2nd May at Kidlington.

We have 11 youth sides from U7 through to U14. All the children have had a wonderful time.

Notable successes are the U10's who have reached the Champions Cup Final for the second year running. This is the elite completion for all sides in Oxfordshire.
